If there are insufficient students to make up a class in any subject listed, that subject will be withdrawn for 2022 and students will have to choose another subject.

The College's ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students' course selections across the six option lines.

Requirement for University Entrance:-

60 Level 3 credits with at least 14 from each of 3 approved subjects, plus Level 2 Literacy (5 credits in reading, 5 credits in writing), plus at least 10 Level 1 Numeracy credits.

Information about each course is available in *Subjects* under the “Curriculum” tab on the Kavanagh College website.

- Make sure you note the entry requirements for each course.
- Make sure you also read the advice about your longer term planning.
 - Check where the current course leads.
 - Find out what you need for **University Entrance** or for entrance to a Polytechnic or other Tertiary courses?
 - Check that you will have the minimum Numeracy and Literacy requirements for University Entrance?

In Year 13 all students at Kavanagh College must take:-

- Religious Education
- plus **five (5) other options.**

Year 13 - Sixth Subject

All students in Year 13 are expected to study Religious studies and Five other subjects.

The Sixth Subject maybe:

- A full year traditional course
- A Semester course that may or may not include a supervised study
- Full year of supervised study

Semester Course Options

Semester courses will run Semester 1 (Term 1 & 2) or Semester 2 (Term 3). You may choose to do a Semester 1 Course and your Semester 2 Course could be a supervised study

Note – Remember you may choose courses across the levels (NCEA L1, L2 or L3) *if you meet the Entry Requirements.*

- If there are insufficient students to make up a class in any subject, that subject will be withdrawn for 2022 and students will have to choose another subject. The College’s ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students’ course selections across the six option lines.
- If you are interested in taking courses that may be available through distance learning (Correspondence) or the Gateway transition to the workplace programme, you must first obtain approval from the named person, who will investigate and verify that the proposed course is an appropriate and achievable option for you.
 - Correspondence Subject: Mrs Mortimer
 - Gateway Subject: Ms Bresanello

Discuss your proposed course for 2022 with your Parents/Caregivers.

Instructions for Students signing into Choose options

Log in to Edge via your internet browser <https://student.musac.school.nz>, not your phone app.

Click on ‘my summary’ at the top then click on Options tab (second tab along) **then find ‘next year’ on the right** to click on. This ensures you are choosing for 2022. If you are choosing some subjects from different year levels, then go to the top and change the year level to 11/12/13 to find the appropriate course.

Your list of options will populate. From here, you will choose your options. These can be saved and edited until Tuesday September 21.

Information about each course is available in *Subjects* under the “Curriculum” tab on the Kavanagh College website.

- Make sure you note the entry requirements for each course.
- Make sure you also read the advice about your longer term planning.
 - Check where the current course leads.
 - Find out what you need for **University Entrance** or for entrance to a Polytechnic or other Tertiary courses?
 - Check that you will have the minimum Numeracy and Literacy requirements for University Entrance?

In Year 12 all students at Kavanagh College must take:-

- Religious Education
- An English option - (Students seeking an exemption from studying English in Year 12 may do so by applying in writing to their Dean or a member of the Senior Leadership Team.)
- plus **four (4) other options.**

Note – Remember you may choose courses across the levels (NCEA L1, L2 or L3) *if you meet the Entry Requirements.*

- If there are insufficient students to make up a class in any subject, that subject will be withdrawn for 2022 and students will have to choose another subject. The College’s ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students’ course selections across the six option lines.
- If you are interested in taking courses that may be available through distance learning (Correspondence) or the Gateway transition to the workplace programme, you must first obtain approval from the named person, who will investigate and verify that the proposed course is an appropriate and achievable option for you.

Correspondence Subject: Mrs Mortimer

Gateway Subject: Ms Bresanello

Discuss your proposed course for 2022 with your Parents/Caregivers.

Record a copy of your selection in your diary for future reference.
